

We are trialing a new computer program for the auction which is designed to improve the service we offer you.

As this is the first run, you will note that the format is different from previous catalogues. We still have some work to do on the program and the operators still have some training to achieve. Please bear with us during this period. Please note that catalogue numbers may not be in numerical order. Should you have any questions, please write to the Auctioneer or email him at peter.maryniak@freeserve.co.uk

Thank you for your co-operation.

The variety lists used for British Isles sections are: EC Nov 1997, ED June 1994, Ireland & Wales 1999. Rest of UK Nov 1993, BI/GG March 1996.
